| Risk Communication | 330 | 550 | 1600 |
| Toxicogenomics | 330 | 550 | 1600 |
| Full PET programme | | | 20250 |

¹ fees approved by the PET Supervisory Board, July 1st, 2020.

² reduced fees for "internal PhD students" apply only to PhD students at the Universities that cooperate in the PET programme;

reduced fees for "external PhD students" apply to all other PhD students; proof of PhD student status (e.g., a letter of the PhD supervisor) is required.

³ participants from universities that cooperate in the PET programme (others than PhD students), RIVM, TNO and Het Nationaal Vergiftigingen Informatie Centrum (NVIC) receive 25% discount on the full tuition fee. This does not apply for the PET course 'Current Topics in Toxicology'.

⁴ The PET course 'Current Topics in Toxicology' is specifically meant for (registered) toxicologists. Therefore tuition fees for internal and external PhD students are not applicable.

The tuition fees of courses provided online due to the COVID-19 situation are 15% reduced.
